### Pastor's Corner

***“For out of his fullness we have all received grace upon grace.” – John 1:16***

Maybe you've heard the phrase “Too much of a good thing.” If you pile on too much of something, even if it's your favorite thing in the world, it begins to spoil your interest in it. I love a good boneless wing – but ask me how I feel about boneless wings after ordering 24 of them from Buffalo Wild Wings. I love the color green – but if everything I wore was green, if my whole house was painted green, you might mistake me for the Lucky Charms Leprechaun. Too much of a good thing could be a bad thing.

The devil and our sinful flesh may try hard to convince us to treat the ever-flowing fountain of God's grace as “too much of a good thing” – diminishing our interest in “the same message over and over again.” You may even be tempted to think, “Why should I go to church? Why should I spend time in God's Word? I know the routine - I know I'm forgiven, I know Jesus loves me. I've got it.” If we're not careful, the precious Gospel message can fade to gray, becoming mundane and monotonous. That's where the Law comes in, to humble us, to slap us awake, to make us appreciate even more what our Gracious Lord is giving to us in Jesus – completely undeserved, completely free. And when we are convinced by God's Law that we are sinners in desperate need of a Savior, when we feel the heat from the fires of hell and long for a touch of cool water on the tongue, the rush of Living Water bursts through the gates. Here John says that we have received grace upon grace, or grace in place of grace already given. Out of God's abundant mercy and love, he pours forth forgiveness from himself, gifted to us in Christ's perfect life, his innocent death, and his glorious resurrection. The Scriptures proclaim the richness of that forgiveness in Christ: “By the mercies of the Lord we are not consumed, for his compassions do not fail. They are new every morning. Great is your faithfulness.” The list of blessings given to us by Jesus rolls in front of our eyes like a scroll: forgiveness, salvation, eternal life, peace, hope, joy, love, encouragement, a new identity, a new verdict, a reconciled relationship with God the Father, the washing of rebirth and renewal in Baptism, his own body and blood in the Lord's Supper, an open line of communication in prayer. And that's not even to mention the physical blessings we receive from him. Could there be too much of a good thing when it comes to God's grace? Too much of a good thing here is a beautiful thing. We cannot exhaust his supply of love and mercy. God's Grace-made-flesh, the Prince of Peace, is here to soothe your guilt-ridden conscience, to wipe away your tears, to dispel all worries and fears and doubts. “Give thanks to the LORD, for he is good, his mercy endures forever.”

**CALL MADE TO REV. TYLER J. SHINNICK:** Our 3rd Call Meeting to fill the Pastor vacancy created when Pastor Sellnow accepted a call to Grace Lutheran in Glendale, Arizona, was held on Sunday afternoon, April 28, 2024. Voter's selected Rev. Tyler J. Shinnick to be called to fill our Vacancy at the Adams-Friendship Campus Church, as an Associate Pastor for our St. Paul's Congregation.

Pastor Shinnick is thirty-six (36) years old and was born and raised in Appleton, WI. He graduated from Martin Luther College in New Ulm, MN. on 06/01/2010 with a Bachelor of Arts and then graduated from Wisconsin Lutheran Seminary in Mequon, WI. on 06/01/2014 with a Master of Divinity degree. He also served as a Vicar at Savior Lutheran

Church in Brookings, SD.

He began serving his first and only Pastoral position at Martin Luther Lutheran Church in Neenah, WI. on 07/01/2014. He has faithfully served them as one of two Associate Pastors for the past 9 years/10 months.

Pastor Shinnick and his wife Callie (nee Dublinski), who is a "stay at home" Mom, are raising three children ages 8, 6, and 3. She also has a "Home Bakery" to enjoy her free time.

The Neenah Church has two Pastoral positions serving 702 members and 520 communicant members. They also support a Neenah Lutheran Parochial School which is shared by two congregations.

Pastor's self-evaluation shows that he considers himself to be a strong leader who likes being an Associate Pastor and prefers a smaller city but will still serve a larger congregation. He very much enjoys Preaching, Outreach, working with Youth, Bible Classes both for Adults and Youth and enjoys working with Confirmation classes.

Pastor Shinnick was very excited to receive our Call and is looking forward to evaluating and deliberating our information. He was very upbeat and fun to talk to. May the Good Lord assist him with his decision. Ron Pfaff, President

## **Mauston News & Notes**

*"But if we walk in the light, as he is in the light, we have fellowship with one another, and the blood of Jesus, his son, purifies us from all sin." 1 John 1:7*

There are many examples of Christian education in our church. We gather together for worship and bible study. Our children are taught God's word at Sunday school, JAM, and Lil' Lambs. What a blessing it is to be a part of a church family! Every week we have the privilege to return to God's house to pray, praise, and give thanks. With repentant hearts, we receive that precious gift of forgiveness and the promise of eternal life.

Our church family exists of so many, from all walks of life. We see everyone from parents with small children to the elderly whose every step can be a struggle. We are all gathering together with a common goal-to hear God's word, do our best to apply it, and to share the good news with others.

There is a sad truth to face as well. We are reminded of it every time we walk down the church hallway where the confirmation pictures hang. We see so many that seem to have drifted away. This is when the thought of a church family becomes such a great blessing. We are not alone. We have brothers and sisters in the faith to look after and to look after us as well. We are encouraged to take time to pray for those we haven't seen for a while. Pray for the opportunity to encourage them with God's word. Pray also for our newest confirmands that the word of God takes root in their hearts.

*"Blest be the tie that binds, our hearts in Christian love; the fellowship of kindred minds, is like to that above." Hymn 494*

Yours in Christ, Todd Krueger

If you are interested in membership and this time for classes doesn't work, Pastor Wilke or Pastor Waldschmidt will be happy to arrange another date and time during the week to meet with you.

**OUR MONTHLY POTLUCK FELLOWSHIP MEAL** takes place on the 1st Sunday of each month, unless announced otherwise. Our next three meals will take place on:

May 5 - - June 2

All members and visitors are welcome to attend. There is no cost, and you may come whether or not you sign up. However, in order to help us better plan for the meal it is requested that those who are able to sign up ahead of time do so. There is a sign-up sheet on the counter in the fellowship hall. Please leave your group/family name and the number in your group that will attend. You may also indicate if you plan to bring a dish to pass of some kind. Please plan to take time to attend so that you can better know and encourage your fellow believers here at St. Paul's! If you have questions feel free to check with Greg Pope, our Fellowship Chairman.

**THANK YOU TO VOLUNTEER LABOR FOR CHURCH LAWN DIRT DISTRIBUTION:** We appreciate their time, labor, and aching muscles and would like to thank the eight (8) volunteers along with Brian Daug and the use of his skid steer for assisting with shoveling and raking along with the spreading of the two (2) loads of black dirt on the Mauston Parking Lot border and lawn areas. These men worked diligently to prepare the bed for seeding these areas on Saturday morning, April 27, 2024.

We came up short one (1) load from finishing the job. After ordering one more load to finish the North end, Brian will distribute it with his skid steer when he is free to do so and then that area can be seeded.

Again, we greatly appreciate the volunteer assistance in completing this project and very soon we hope to have green grass from the new seed. Ron Pfaff, President, St. Paul's

## Lil' Lambs News and Notes

Ch-ch-ch-anges ... changes in weather -- we LOVE being outside more!! The children are enjoying the green grass and the dandelions!! Sand has shifted so there will be a delivery of new sand soon!! Changes in the garden as it is starting to grow weeds! Hoping to get some vegetables planted soon!! If you have extra seedling plants OR raspberry plants to share-- we would love to add them to our space!

We are going through some staff changes at St. Paul's Lil' Lambs. There are a few staff that have moved on and some that need fewer hours in the summer. Extra hands will be needed this summer to make sure we have enough people to help through the busy days! If you or someone you know likes to work with young children, play games, read books, sing songs and play outside; we have a great opportunity for you! Give me a call at 608-847-2515 ~ I'd love to hear from you!

What does not change is our commitment to sharing God and His love with the children and families at Lil' Lambs!! We have celebrated Easter and continue to talk about the life of Jesus with children in our daily Bible lessons. Children enjoy learning new Bible songs and even some actions to those songs!! What a joy to hear children sing about Jesus and God's love for the world.

Please continue to keep St. Paul's Lil' Lambs in your prayers -- prayers for children & families as well as for the staff. THANK YOU and Happy Spring!

## Food Pantry

The Food Pantry 2023 end-of-year stats are in. We served 493 different families, which contained 222 different seniors, 664 different adults, 359 different children- for a total of 1,245 different people served. We provided up to 14 days of food each month. 157 families only came once during the year and 24 families came each month. All the other families were spread out during the year. We distributed a total 238,691# of food during the year. This does not include the extra 8,000# of limes, cucumbers, pumpkins, and bananas we shared with the community from our 4 "extra" semis who graciously shared with us this year. We also distributed 563 senior boxes with 16,890# of additional food. Items that we need if you are out shopping: soups, canned fruit and canned veggies, canned protein like peanut butter, tuna, chicken. Your cash donations help us to purchase needed food. We would not be here to help those families in need without the generous help of our volunteers and donations. We have a wonderful group of people to work with!

Thank you so much for your gracious support.

## **COMMITTEE REPORT**

### **Elder's report – Bob Storandt**

**Committee update** With our pastoral shortage situation, the elders are helping make shut in visits. We have not done any work yet on right-sizing our membership list, but it is still on our to do list.

Education report – Mauston – Todd Krueger

Committee report It is a blessing in our lives to have assistance in "raising our children in the nurture and admonish of the Lord." We have many opportunities at church for bible lessons and there are Lutheran schools in our area that are available to all. On April 14th, Principal Wurster will be at St. Paul's in Mauston to talk about our Lutheran elementary school in Wonewoc and answer any questions for those who are interested.

"Blest such a house; it prospers well. In peace and joy the parents dwell, and in their children's lives is shown how richly God can bless his own." Hymn 506 vs.4

Stewardship/Membership report-Mauston – Bob Storandt Committee report Work is on Going.

Buildings and grounds report-Adams-Fr. – James Cranfield

Committee report Saturday April 13th we are planning on putting in the new sign. I was asked if we could ear tag the money that we had planned on spending on the sign to be available for the landscaping committee. Seeing that Don Becker family donated it. Don asked if that would be possible. Also if anyone would like to help us put the sign up it would be appreciated. Are just come out for the fellowship. Glory be and praise God. Also I'm still trying to get bids for the sheet rock work that needs to be done. If anyone would have any recommendations. Also a member of friendship campus would like to use the kitchen to make some cupcakes for a graduation party. On May 25th. Heidi Schultz. Thanks God bless Your brother in Christ James Cranfield.

### **Fellowship report-Mauston – Barry Voigt**

**Committee report** In the month of March there were numerous Fellowship events that took place at St Paul's in Mauston. There were 3 Lenten Season Soup/Supper Meals in March. I would like to include in this report a thank you to all the Groups who participated in The Lenton Service Soup/Sandwich Meals this year. Thanks for all the wonderful soups, sandwiches and desserts provided by the different groups and members of the congregation. Thank you to all who helped set up before the meals, served during the meals, and the clean up afterwards. Thank you to all who came to enjoy the wonderful meals and Fellowship opportunity that God provided between the Lenton services.

The Men's Lutheran Fellowship Club met again on Thursday night March 21st at 6:30 pm in the Fellowship Hall at St Paul's in Mauston. Snacks were provided along with some pizza. We had a devotion to start the evening then played 3 games of dart ball which was a lot of fun . Attendance was down a little probably due to March madness but we did have a basketball game playing on the projector.

Preparation for Easter Breakfast went forward with sign-up sheets put out in the Narthex for food donations and for help with set up and clean up.

Easter Sunday breakfast took place on March 31st. After early service in the fellowship hall and 3 of the classrooms. Easter Sunday breakfast was again a successful event with approximately 104 people being served. The food was great with plenty of scrambled eggs, toast, breakfast egg bake's, biscuit & gravy ,sausage links and breakfast rolls/buns and coffee cakes.

Thank you to the many congregation members who generously donated the various food items and drinks that made this a very delicious and successful breakfast.

A huge thanks goes out to Council members and their families as well as all of the people that helped with the setting up, decorating, working the breakfast and cleanup, and to all who helped in the kitchen preparing and serving throughout the breakfast.

I would also like to thank the young people in the Youth Group and their parents for all their help in serving breakfast and helping with the clean up after.

2 Corinthians 13:14 May the grace of the Lord Jesus Christ, and the love of God, and the fellowship of the Holy Spirit be with you all. Respectfully submitted Barry Voigt/Fellowship Chairman

Fellowship report-Adams-Fr. – Greg Pope

#### **Committee report**

Well, Easter breakfast team and gone. We had good turnout for breakfast and a better turn off for church. We served about 50 people for breakfast. And there was about a 149 for church. I like to thank everybody That participated.

Bring in the food to help in the kitchen. Clean up setting up and for the ones that came and enjoyed the fellowship breakfast. Hope everybody is enjoying the weather open last for a while. Financial / Ministry Plan Mauston- Bob Storandt

#### **Committee report**

Our loan for the Adams church building is in the early stages of working on the five-year renegotiation process (we have had the loan for 4 years). Our present loan has a subordination grant agreement from our WELS CEF (Church Extension Fund) group in the amount of \$19,657.00. If we keep our loan with the Bank of Mauston and do not need to re-register our loan, we do not need to do anything more with this agreement. It will just remain in place. If our church loan needs to be re-registered, we need to have CEF re-issue the subordination grant agreement paperwork and CEF is willing to do that. The main item to remember is that our congregation owes CEF \$19,657.00. We do not need to make any payments on that unless something happens between now and the year 2040. If the Adams church remains with our congregation then in the year 2040, the grant agreement is completed and no money is owed. It does not matter whether the church loan is paid off or not. If something were to change (i.e. Adams church is sold or changes Synod affiliation or ??) then the money is due CEF at that time.

There was a question as to whether we needed to make any changes to protect the two holding ponds in Adams. Our church insurance company, Church Mutual, said nothing was required to be done. Their risk department also reviewed it and agreed nothing was required but did offer some suggestions if we chose to do something. The documents with this information has been given to Jim Cranfield for review and recommendation.

Both the church and the daycare financials are done with QuickBooks. After checking out some alternatives, both of them will remain with the desktop version of the software and have been upgraded to the newest version. Randy, Joann, and Shar have been making the changes needed in her pay so it is treated as a permanent called worker.

More details are noted in other articles and the ministry reports.

#### **Scholarships – Bob Storandt**

##### **Committee report**

We have received \$1,603.60 from our scholarship fund that can be used for 2024-2025 scholarships. In the process currently of asking our congregation for any applicants that will be a student at a WELS high school, college, or seminary in the upcoming academic year. So far, the only applicant received is Rachel Wilke who will be attending MLC. MLC has a matching funds scholarship program that will match our church's donation up to a maximum of \$1,450.00. As it stands now, we should be able to meet that maximum donation amount.
